

1st meeting

Soft Tissues Sarcoma Multidisciplinary focus on **MYXOFIBROSARCOMA**

JANUARY 24th, 2020 BOLOGNA
Istituto Ortopedico Rizzoli

PROGRAM

- 08.30 **Registration of Participants**
- 09.00 **Meeting opening**
Maria Paola Landini - Scientific Director, IOR, Bologna, Italy
Davide Maria Donati - Head of Orthopaedic Oncology Unit, IOR, Bologna, Italy
- 09.20 **Lecture**
Heterogeneity in soft tissue sarcomas: infiltrative sarcomas
Ramses Forsyth (Brussels)
- 09.45 PATHOLOGY**
10.45 *Chairs: Ramses Forsyth (Brussels), Angelo Paolo Dei Tos (Padova)*
- 09.45 **Epidemiology, pathology and peculiarities of myxofibrosarcoma**
Marco Gambarotti (Bologna)
- 09.55 **Expanded molecular profiling of myxofibrosarcoma reveals potentially actionable targets**
Bernadett Liegl-Atzwanger (Graz)
- 10.05 **Analysis of the molecular profile of myxofibrosarcoma of the extremities: diagnostic and prognostic impact**
Andrea Sambri (Bologna)
- 10.15 **Myxofibrosarcoma models**
Laura Mercatali (Meldola)
- 10.25 *Discussion*
- 10.45 *Coffe Break*
- 11.15 IMAGING AND SURGICAL TREATMENT**
13.00 *Chairs: Giuseppe Bianchi (Bologna), Alessandro Gronchi (Milano)*
- 11.15 **Imaging in myxofibrosarcoma**
Paolo Spinnato (Bologna)
- 11.25 **Proposal of MRI classification in MFS**
Paolo Spinnato (Bologna)
- 11.35 **New MRI imaging techniques in soft tissue sarcomas**
Maurizio Busacca (Bologna)
- 11.45 **Surgical aspects and role of surgical margins**
Giuseppe Bianchi (Bologna)
- 11.55 **Local control of myxofibrosarcoma: results from ISG-ST51 study**
Alessandro Gronchi (Milano)
- 12.05 **The use of flaps in musculoskeletal oncology**
Federico Contedini (Bologna)
- 12.15 **Artificial dermal matrices**
Benedetta Spazzoli (Bologna)
- 12.25 *Discussion*
- 13.00 *Lunch*
- 14.00 ADJUVANT THERAPY**
15.15 *Chairs: Alessandra Longhi (Bologna), Toni Ibrahim (Meldola)*
- 14.00 **Radiosensitivity in soft tissue sarcomas**
Silvia Cammelli (Bologna)
- 14.10 **Proton therapy: indications in soft tissue sarcomas**
Marco Cianchetti (Trento)
- 14.20 **Chemotherapy in myxofibrosarcoma: results from ISG-ST51 study**
Silvia Stacchiotti (Milano)
- 14.30 **Role of chemotherapy in metastatic/advanced myxofibrosarcoma**
Alessandra Longhi (Bologna)
- 14.40 *Discussion*
- 15.30 CASE DISCUSSION**
- 16.30 *Discussion and Closing remarks*

INFO

President:

Giuseppe Bianchi
Davide Maria Donati
Istituto Ortopedico Rizzoli

Meeting Organizers:

Enrico Lucarelli
Andrea Sambri
Gianmarco Tuzzato
Laura Pazzaglia
Istituto Ortopedico Rizzoli

International Faculty:

Ramses Forsyth
*Department of Histopathology,
University Hospital Ghent, Belgium*

Bernadett Liegl-Atzwanger
*Diagnostic and Research Institute of Pathology,
Medical University of Graz, Austria*

Meeting Venue:

Sala Vasari, Istituto Ortopedico Rizzoli
Via Pupilli 1 - Bologna, Italy

Case presentations:

Participants are invited to submit clinical cases to be discussed.

Those interested are requested to send an e-mail to:

mfs2020@ior.it
